**Colonial Doors**  
have manufactured  
Solid Timber Doors for over 10 years.

Our doors are all hand crafted from Plantation grown, select grade (KD) Victorian Hardwood in either 25mm or 32mm thick material.

Attention to detail & finishing insure our doors are of the highest quality.

We have a large range of designs available in both Standard & Non Standard Sizes.

We also offer a Custom Design service which allows You to design a door that best suits your home.

Our doors are supplied Raw with a Flywire & Beading Kit, which allows for easy installation & finishing in the paint or stain of your choice.
